PROJECTS

Responsive Farming Company-Pureagri |

- I created and managed the Agricultural Website, utilizing Html, Css and Javascript to design and maintain its architecture.
- Designed and developed a comprehensive farming website to provide valuable resources, tools, and information for farmers. Enabled the addition and management of multimedia content, including images and videos, to enrich the user experience. Created a fully responsive websites.

Portfolio |

- Designed and developed a responsive portfolio website to showcase my skills, projects, and professional profile. Ensured the website is fully responsive, providing an optimal viewing experience across a wide range of devices, including desktops, tablets, and smartphones.
- Added social media icons with Font Awesome for easy access to my linkedin, GitHub, and other professional profiles.

CERTIFICATIONS

- Frontend Certification - Besant Technologies
- Python Certification - Udemey (Online)
